uvex i-works - Get the right tools for the job

# Look good. Be safe

The uvex i-works encapsulates the very best of uvex safety eyewear. The sporty design, panoramic lens and low weight make it extremely comfortable for all day wear. Together with unrivalled permanent uvex lens coating technology (uvex supravision excellence), the uvex i-works provides the highest level of optical clarity remaining fog free even after repeated cleaning. High-tech soft grip side arm materials further enhance comfort levels delivering a stable, non-slip fit.

**Features:**

- British led styling - German engineering
- Sporty design - robust while looking good
- Panoramic lens for great lateral vision
- Soft grip side arms - ultra comfortable. Stable, non-slip fit
- Low profile side arms with practical hang cord attachment option
- Metal free
- UV 400 protection

**Panoramic lens**

- Excellent field of vision
- High levels of protection

**uvex supravision excellence lens coating**

- Permanent anti-fog coating on the inside
- Scratch resistant on the outside

**Low profile side arms**

- Soft grip side arms for ultra comfortable, stable, non-slip fit
- Compatible with other items of PPE

**Hang cord attachment**

- Keeps eyewear handy for when it's needed

**Pioneering lens coating technology:**

- uvex supravision excellence lens coating technology: permanent anti-fog coating on the inside of the lens, scratch resistant on the outside
- Permanent lens coating technology: won't wash off even after repeated cleaning. Prolongs product life offering great value for money
- Non-stick nanotechnology on the outside of the lens makes lenses easier to clean and less susceptible to dirt

## uvex i-works models:

The uvex i-works is suitable for a range of applications requiring low impact protection including those working in construction, manufacturing, automotive, healthcare, utilities, pharmaceutical, food/drink, warehouse/distribution.
